## SUMMARY

I am a self-motivated individual who has acquired an array of academic, athletic, & workforce experience over the last several years. My strongest skills include self-initiative, problem solving, & perseverance, and my values include adaptability to diverse situations, open-mindedness, teamwork, & the ability to learn new methods and skills. Proficiency in troubleshooting & identifying issues are also among my skill set. A Minor in mathematics and a Masters in Sociology accompany my achievements and exhibit excellent communication & critical thinking skills.

## LANGUAGES | FRAMEWORKS | TOOLS

Full-Stack | Java, JavaScript | React, Spring Boot | VS Code, IntelliJ, GitHub, MySQL, Postman | Adobe Suite

## EXPERIENCE

### FOTHS — LaunchCode

- Built an interactive web application that provides digital tools to help users learn/study the Bible
- Used HTML, CSS & JavaScript to render a fully functional front-end application
- Implemented React State Management to store user input and render in various spots in the app
- Utilized the .map() method to navigate through stored data and display to user
- Used media queries to make my application user friendly on several different dimension sizes
- Built app using Agile methodologies, completing the project through a series of 2-4 week sprints

### Multimedia Business Owner — JWMP

November 2019-Present

- Built and designed eight unique websites for small business owners and entrepreneurs
- Filmed and produced The Center of Clayton's marketing video for City of Clayton's website
- Captured marketing photos for St. Louis regional businesses, including Highlands Golf Course at FP
- Produced audio soundtrack for St. Louis County Rec Center

### Manager — Straub's Fine Grocers

June 2024 - February 2025

- Managed the Straub's grocery store located in Clayton, MO
- Oversaw 80+ employees, operating as main point of contact for customers/employees
- Exhibited self-initiative by creating documentation & strategies that simplified day-to-day operations
- Performed cash logs of safe on Microsoft Excel spreadsheets (over/under, till reconciliation, etc)
- Designed & created displays for seasonal products to be featured on shelves

### Field Researcher — CoStar Realty Information, Inc

April 2022 - November 2022

- Conducted extensive pre-flight research about my assigned residential territories
- Used DSLR cameras to capture ground level images of subjects (real estate, landscapes, etc)
- Manually operated Mavic Pro drones for aerial imagery purposes (land surveying, construction sites)
- Worked remotely with team members (4) at the headquarters location in Virginia
